4 EUTROPHICATION

OSPAR and other supporting QSR assessments

Eutrophication status of the OSPAR maritime area. Second OSPAR integrated report. OSPAR Commission, London, 2008. Publication 372/2008.

Towards the 50% reduction target for nutrients. Assessment of implementation of PARCOM Recommendation 88/2 and 89/4. OSPAR Commission, London, 2008. Publication 310/2008.

Trends in atmospheric concentrations and deposition of nitrogen and selected hazardous substances to the OSPAR maritime area. OSPAR Commission, London, 2009. Publication 447/2009.

Atmospheric nitrogen in the OSPAR Convention area in 1990–2004. EMEP report for OSPAR. OSPAR Commission, London, 2007. Publication 344/2007.

Trends in waterborne inputs. Assessment of riverine inputs and direct discharges of nutrients and selected hazardous substances to the OSPAR maritime area in 1990–2006. OSPAR Commission, London, 2009. Publication 448/2009.

Nutrient reduction scenarios for the North Sea. Environmental consequences for problem areas with regard to eutrophication following nutrient reductions in model scenarios. OSPAR Commission, London, 2008. Publication 374/2008.

5 HAZARDOUS SUBSTANCES

OSPAR and other supporting QSR assessments

Status and trend of marine chemical pollution. OSPAR Commission, London, 2009. Publication 395/2009.

Towards the cessation target: Emissions, discharges and losses of OSPAR chemicals identified for priority action. OSPAR Commission, London, 2008. Publication 354/2008.

Trends and concentrations of selected hazardous substances in marine sediments and biota. CEMP assessment report 2008/2009. OSPAR Commission, London, 2009. Publication 390/2009.

Trends in atmospheric concentrations and deposition of nitrogen and selected hazardous substances to the OSPAR maritime area. OSPAR Commission, London, 2009. Publication 447/2009.

Atmospheric deposition of selected heavy metals and persistent organic pollutants to the OSPAR maritime area (1990–2005). OSPAR Commission, London, 2008. Publication 375/2008.

Trends in waterborne inputs. Assessment of riverine inputs and direct discharges of nutrients and selected hazardous substances to the OSPAR maritime area in 1990–2006. OSPAR Commission, London, 2009. Publication 448/2009.

Losses of contaminants from ships' coatings and anodes. A study relating to the Netherlands Continental Shelf and the North Sea. OSPAR Commission, London, 2009. Publication 462/2009.

ICES assessment of data on fish diseases in the OSPAR maritime area. ICES Advice 2009, Book 1, section 1.5.5.10. 11 pp.

6 RADIOACTIVE SUBSTANCES

OSPAR and other supporting QSR assessments

Towards the Radioactive Substances Strategy objectives. Third periodic evaluation. OSPAR Commission, London, 2009. Publication 455/2009.

Assessment of the impact of anthropogenic sources of radioactive substances on marine biota. OSPAR Commission, London, 2008. Publication 381/2008.

Concentrations of radioactive substances in the marine environment. Second periodic evaluation of progress towards the objective of the Radioactive Substances Strategy. OSPAR Commission, London, 2007. Publication 338/2007.

Progressive and substantial reductions in discharges of radioactive substances. First periodic evaluation of progress towards the objective of the Radioactive Substances Strategy. OSPAR Commission, London, 2006. Publication 302/2006.

Implementation of BAT to minimise radioactive discharges. Assessment of the 4th round of reporting on the implementation of PARCOM Recommendation 91/4 on radioactive discharges. OSPAR Commission, London, 2008. Publication 351/2008.

Liquid discharges from nuclear installations in 2007. OSPAR Commission, London, 2009. Publication 456/2009.

Discharges of radioactive substances from the non-nuclear sectors in 2007. OSPAR Commission, London, 2009. Publication 457/2009.

7 OFFSHORE OIL AND GAS INDUSTRY

OSPAR and other supporting QSR assessments

Overall impacts of offshore oil and gas activities. Assessment of the impacts of offshore oil and gas activities in the North-East Atlantic. OSPAR Commission, London, 2009. Publication 453/2009.

Environmental effects of releases of oil and chemicals from cuttings piles. Assessment of the possible effects of releases of oil and chemicals from any disturbance of cuttings piles. Update 2009. OSPAR Commission, London, 2009. Publication 337/2009.

Environmental monitoring of impacts from offshore oil and gas activities. Assessment of the impact on the marine environment of offshore oil and gas activity – an overview of monitoring results in the United Kingdom, the Netherlands and Norway. OSPAR Commission, London, 2007. Publication 336/2007.

Discharges, spills and emissions from offshore oil and gas installations in 2007. Including assessment of data reported in 2006 and 2007. OSPAR Commission, London, 2009. Publication 452/2009.

8 USE OF LIVING MARINE RESOURCES

OSPAR and other supporting QSR assessments

Assessment of the environmental impact of fishing. OSPAR Commission, London, 2009. Publication 465/2009.

ICES assessment of the impact of fisheries on the marine environment of the OSPAR maritime area. ICES Advice 2008, Book 1, section 1.5.5.9. 78 pp.

Assessment of impacts of mariculture. OSPAR Commission, London, 2009. Publication 442/2009.

Other references

Hiddink, J.G., Jennings, S., and Kaiser, M.J., 2006. Indicators of the ecological impact of bottom-trawl disturbance on seabed communities. *Ecosystems* 9, 1190–1199.

9 OTHER HUMAN USES AND IMPACTS

OSPAR and other supporting QSR assessments

Assessment of the impacts of shipping on the marine environment. OSPAR Commission, London, 2009. Publication 440/2009.

Assessment of the impacts of tourism and recreational activities. OSPAR Commission, London, 2008. Publication 369/2008.

Assessment of the environmental impact of offshore wind-farms. OSPAR Commission, London, 2008. Publication 385/2008.

Assessment of the environmental impact of cables. OSPAR Commission, London, 2009. Publication 437/2009.

Assessment of the environmental impact of land reclamation. OSPAR Commission, London, 2008. Publication 368/2008.

Assessment of the environmental impact of the construction or placement of structures (other than oil and gas and wind-farms). OSPAR Commission, London, 2008. Publication 367/2008.

Assessment of the impact of coastal defence structures. OSPAR Commission, London, 2009. Publication 435/2009.

Assessment of construction or placement of artificial reefs. OSPAR Commission, London, 2009. Publication 438/2009.

Summary assessment of sand and gravel extraction in the OSPAR maritime area. OSPAR Commission, London, 2009. Publication 434/2009.

Assessment of the environmental impact of dredging for navigational purposes. OSPAR Commission, London, 2008. Publication 366/2008.

Assessment of the environmental impact of dumping of wastes at sea. OSPAR Commission, London, 2009. Publication 433/2009.

Assessment of the impact of dumped conventional and chemical munitions. Update 2009. OSPAR Commission, London, 2009. Publication 365/2009.

OSPAR pilot project on monitoring marine beach litter. Monitoring of marine litter in the OSPAR region. OSPAR Commission, London, 2007. Publication 306/2007.

OSPAR/UNEP/KIMO report on marine litter in the North-East Atlantic region. OSPAR Commission, London, 2009. Publication 386/2009.

Assessment of the environmental impact of underwater noise. OSPAR Commission, London, 2009. Publication 436/2009.

Overview of the impacts of anthropogenic underwater sound in the marine environment. OSPAR Commission, London, 2009. Publication 441/2009.

ICES overview assessment of non-indigenous species in the OSPAR maritime area. ICES Advice 2009, Book 1, section 1.5.5.2. 11 pp.

Assessment of impacts of microbiological contamination on the marine environment of the North-East Atlantic. OSPAR Commission, London, 2009. Publication 466/2009.

Trend analysis of maritime human activities and their collective impact on the OSPAR maritime area. OSPAR Commission, London, 2009. Publication 443/2009.
